

BLACK PEARL AQUACULTURE REFERENCES

Aquaculture in Tropical Areas. (1991)

Authors/ contributors: Shokita, A (ed.); Kakazu, K. (ed.); Tomori, A. (ed.); Toma, T. (ed.); Yamaguchi, M.

Midori Shobo Co. Ltd iv,360 p. : ill(part col.) ; 26 cm.

Aquatic Animal Health Subprogram: Enhancing the emergency disease response capability of the Western Australian Department of Fisheries and industry bodies associated with non-maxima oyster culture. Final report: FRDC project no.2002/668 (2004)

Authors/ contributors: Jones, J. Brian; Knox, Richard; Bennison, Simon; East, Iain; Sampson, Iska; Fisheries Research and Development Corporation (Australia). Aquatic Animal Health Subprogram. Western Australia. Dept. of Fisheries. vi,35 p. : diagr. ; 30 cm.

Basic methods of pearl farming: a layman's manual (2002)

Authors/ contributors: Haws, Marie. (Center for Tropical and Subtropical Aquaculture publication; no. 127)

The Biology and culture of pearl oysters (Bivalvia : Pteriidae) (1992)

Authors/ contributors: Gervis, M. H.; Sims, N. A. London : Overseas Development Administration of the United Kingdom; Manila : ICLARM studies and reviews, no. 21 v,49 p. : ill. ; 28 cm.

Black pearl farming in the Solomon Islands (1999)

Authors/ contributors: Friedman, Kim J.

Future directions for the non maxima pearl industry: (1998)

Industry workshop, 31 October, Fremantle / eds. D.Machin and S. Bennison p. 37-41

Future directions for the non maxima pearl industry : 1998

Industry workshop, 31 October, Fremantle / eds. D.Machin and S. Bennison p. 12-17

Emission estimation technique manual for the aquaculture of barramundi, prawns, crocodiles, pearl oysters, red claw and tropical abalone in tropical Australia (2000)

Authors/ contributors: Northern Territory University; (Environment Australia : National pollutant inventory) 17p. : diags ; 30 cm

Internet Access: <http://www.npi.gov.au/handbooks/aedmanuals/aquatropic.html>

Molluscan Fisheries and Aquaculture: World Congress of Malacology, Perth 2004 (2006)

Authors/ contributors: Wells, F.; Joll, L.; Maguire, G.; World Congress of Malacology (3rd : 2004 : Perth, W.A.); Western Australian Museum; Western Australia. Dept. of Fisheries.

Fisheries Research and Development Corporation and Western Australian Museum
(FRDC project ; no. 2003/300) 35 p. ; 30 cm.

Non maxima pearl industry workshop 1999 : book of abstracts.

Authors/ contributors: Non Maxima Pearl Industry Workshop (1999): Hillarys, Western Australia); Machin, Dan (ed.); Amwing Pearl Producers Association Inc 49 p. ; 30 cm.

Non maxima pearl production and markets (1999)

Authors/ contributors: Maguire, Greg B.; Friedman, Kim.

Pearl oyster health management : a manual (2007)

Authors/ contributors: Bondad-Reantaso, Melba G.; McGladdery, Sharon E.; Berthe, Franck C. J. Food and Agriculture Organization of the United Nations (FAO fisheries technical paper ; no. 503)

A preliminary economic assessment of the expansion of the Cook Islands cultured black pearl industry: constraints, opportunities and potential impacts. Pacific Islands Marine Resource project Cook Islands component project no. 879-0020 (1993).

Authors/ contributors: RDA International, Inc.; Rowntree, John T.

RDA International, Inc. 1 v. (various pagings) : graphs, tables ; 30cm.

Research and development priorities for the farmers of the oyster species *Pinctada albina*, *Pinctada margaritifera* and *Pterinea* (sic) *penguin*. (1996)

Authors/ contributors: Amwing Pearl Producers Association Inc.; Western Australia. Aquaculture Development Council. Amwing Pearl Producers Association Inc 18 (14) p. ; 30 cm.

Seeding of blacklip pearl oysters, *P. margaritifera* (L.) collected as wild spat and wild adults from 'open' reef systems of Solomon Islands (2000)

Authors/ contributors: Friedman, Kim J.

Proceedings of the WA Conference on Tropical Aquaculture in the Kimberley, 27-29 May 1999, Broome, Western Australia, eds C.L. Lee and D.C. Harvey p. 63-77

A study on the cultured black pearl industry of the Cook Islands. (1991)

Authors/ contributors: Sims, Neil Anthony; Australian International Development Assistance Bureau. Centre For Pacific Development and Training. 54 p. ; 30 cm.
