

SILVER PERCH AQUACULTURE REFERENCES

An overview of the impacts of translocated native fish species in Australia : Final, 11 August 2008 [electronic resource]

Authors/ contributors: Sinclair Knight Merz. Commonwealth of Australia iv, 66p., ill.

Internet Access: <http://www.environment.gov.au/system/files/pages/24bcdd3c-fee8-46ee-947c-3b88888278a5/files/translocated-fish-overview.pdf>

Fish in farm dams (1990)

Authors/ contributors: Barlow, C.; Bock, K.; Reynolds, L. F. Agfacts (NSW Agriculture & Fisheries); F3.1.1, 3rd ed. 8 p. : ill.

Silver perch: behavioural problems and growth depensation in commercial crops. (1995)

Authors/ contributors: Gordon, Kelvin. Austasia Aquaculture vol. 9(3) p. 41-43

Australian aquaculture : industry profiles for selected species [electronic resource]. (2003)

Authors/ contributors: Love Graham; Langenkamp, Dana; Fisheries Resources Research Fund. Agricultural and Resource Economics (ABARE eReport); 03.8) viii,102 p.

Internet

Access: http://data.daff.gov.au/data/warehouse/pe_abarebrs99000889/PC12493.zip

Profitability of selected aquaculture species (2001)

Authors/ contributors: Weston, Leeann; Hardcastle, Susan; Davies, Luke.

ABARE research report (Australian Bureau of Agricultural and Resource Economics); 01.3 , 95p.

Aquaculture diet development subprogram: diet validation and feeding strategies. FRDC Project no. 1996/393 (2003)

Authors/ contributors: Barlow, Christopher G.; Allan, Geoff L.; Willaims, Kevin C.; Rowland, Stuart J.; Smith, David M. (FRDC Project; no. 1996/393 NSW Fisheries final report series; No. 60) 152 p. + Appendices.

Fish meal replacement in aquaculture feeds for silver perch: Project 93/120-03. (1998?)

Authors/ contributors: Allan, Geoff L.; Rowland, Stuart J.; Fisheries Research and Development Corporation (Australia). NSW Fisheries final report series ; no. 6 (FRDC Project; no. 1993/120-03).

Replacing fish meal in aquaculture diets. ACIAR Project No. 9207 (2000)

Authors/ contributors: Allan, Geoff L.; Jantrarotai, Wimol; Rowland, Stuart; Losuturak, Pairat; Booth, Mark; Australian Centre For International

Agriculture Research. NSW Fisheries final report series ; no. 25 13p.

Diseases of Australian native freshwater fishes with particular emphasis on the ectoparasitic and fungal diseases of Murray cod (*Maccullochella*), golden perch (*Macquaria ambigua*) and silver perch (*Bidyanus bidyanus*). (1991)

Authors/ contributors: Rowland, Stuart J.; Ingram, Brett A. Fisheries Bulletin (New South Wales. Fisheries); 4, 33 p.

Four Australian native fish that have potential for aquaculture : freshwater catfish (*Tandanus tandanus*) : golden perch (*Macquaria ambigua*): Murray cod (*Maccullochella peeli*) : Silver perch (*Bidyanus bidyanus*). (1993)

Authors/ contributors: Hume, Doug; Barlow, Chris. QG93001 : Bibliography (Queensland. Dept. of Primary Industries) 8 p.

Polyculture of silver perch (*Bidyanus bidyanus*) and marron (*Cherax tenuimanus*). Final report [to] Aquaculture Development Council (1998)

Authors/ contributors: Whisson, Glen; Silver Perch Association of W.A. (Inc.); West Coast Marron & Fish Farm; Aqua Research & Marketing Services; Aqua Research and Marketing Services.

The high cost of bird predation. (1999)

Authors/ contributors: Bird, Chris. AqualInfo (Aqua Info) (Western Australia. Fisheries Dept.); no. 18 3 p.

Farming silver perch. (1999)

Authors/ contributors: Fowler, Natalie; Western Australia. Fisheries Dept.. Aquaculture WA (Western Australia. Fisheries Dept.) ; no. 6 12 p.

The aquaculture of non-endemic species in Western Australia : silver perch (*Bidyanus bidyanus*) (2000)

Authors/ contributors: Thorne, Tina; Brayford, Heather. Fisheries Management paper (Fisheries Western Australia) ; no. 145 15 p.

Internet

Access: http://www.fish.wa.gov.au/documents/management_papers/fmp145.pdf

The aquaculture of non-endemic species in Western Australia : Silver perch (*Bidyanus bidyanus*) (2005)

Authors/ contributors: Thorne, Tina; Brayford, Heather. - amended and reprinted - Fisheries management paper (Fisheries Western Australia) ; no. 145 18 p.

Internet

Access: http://www.fish.wa.gov.au/documents/management_papers/fmp145.pdf

Feeding lupins to fish: A review of the nutritional and biological value of lupins in aquaculture feeds (2001)

Authors/ contributors: Glencross, Brett D.; Grains Research Council of Western Australia; Western Australia. Dept. of Fisheries. Research Division. Fisheries occasional publication; no 31 xii, 117 leaves.

Internet

Access: http://www.fish.wa.gov.au/Documents/occasional_publications/fop031/fop031.pdf

Research and development plan 2007-2008

Authors/ contributors: Western Australia. Dept. of Fisheries. Fisheries Research Division. Fisheries occasional publication (Dept. of Fisheries (Western Australia) ; no. 48 141 p.

Internet

Access: http://www.fish.wa.gov.au/Documents/occasional_publications/fop048.pdf

Australian Aquaculture : industry profiles for selected species. (2003)

Authors/ contributors: Love, Graham; Langenkamp, Dana; Fisheries Resources Research Fund. (ABARE eReport (Australian Bureau of Agricultural and Resource Economics); 03.8,) 135 p.

<http://www.environment.gov.au/system/files/pages/e9215b18-c4af-44d8-9b4a-3d261f58209a/files/co22abare-aquaculture.pdf>

Profitability of selected aquaculture species. (2001)

Authors/ contributors: Weston, Leann; Hardcastle, Susan; Davies, Luke.

Australian Government Publishing Service. (ABARE Research Report; 01.3) 95 p.

Potential of meatmeal to replace fishmeal in commercial diets for silver perch (*Bidyanus bidyanus*) : Project Number M783 - Final report to MRC . Subprogram 93/120 (1998?)

Authors/ contributors: Allan, Geoff L.; Rowland, Stuart J.; Fisheries Research and Development Corporation (Australia)

Silver perch culture, proceedings of Silver Perch Aquaculture Workshops, Grafton and Narrandera, April 1994. (1995)

Authors/ contributors: Silver Perch Aquaculture Workshops (1994 : Grafton, Narrandera); Rowland, Stuart J. (ed.) : Bryant, Carole (ed.) Sandy Bay, TAS : Austasia Aquaculture : Sydney : NSW Fisheries, vii,125 p.

Marketing silver perch (*Bidyanus bidyanus*). (1995)

Authors/ contributors: Ruello & Associates Fisheries Consultants; NSW OLMA Aquaculture, Fishing and Related Industries Committee Inc.; Australia. Office of Labour Market Adjustment (OLMA). (NOFARIC; 9) vii,46 p.
