

## **TROUT AQUACULTURE REFERENCES**

Fish in farm dams (1990)

Authors/ contributors: Barlow, C.; Bock, K.; Reynolds, L. F.  
Agfacts (NSW Agriculture & Fisheries); F3.1.1, 3rd ed. 8 p. : ill.

Rainbow trout culture. (1991)

Fishery journal (Yamaha) ; no. 36 8 p. ill.

Salmonid triploidy and sex reversal in Tasmania. (1989.)

Authors/ contributors: Forteath, N.  
Austasia Aquaculture Magazine ; vol. 4 (3) p. 16-19 : ill.

Triploid brown trout investigations. (1988)

Authors/ contributors: Crozier, W. W.  
Trout News ; no. 6 p. 8-12 : ill.

Culture potential of the rainbow trout. (1989)

Authors/ contributors: Platt, John.  
REAP information broadsheet ; no. 17 3 p.

Evaluation of grower diets for intensive culture of rainbow trout (*Salmo gairdneri* Richardson). (1983)

Authors/ contributors: Tabachek, J. L.  
Canadian technical report of fisheries and aquatic sciences ; no. 1178 iv,15 p.

Growing trout in farm dams (1992)

Authors/ contributors: Morrissy, Noel.  
Western Fisheries magazine, Winter p. 38-39; col. ill.

Sea water culture of rainbow trout. (1981)

Authors/ contributors: Hortle, Michael E.  
Technical report (Tasmania. Dept. of Sea Fisheries); 2 46 p. : ill.

Inland saline aquaculture (2003)

Austasia Aquaculture - Vol. 17, no. 6 p.

Cultured aquatic species fact sheets [electronic resource] (2009)

Authors/ contributors: Crespi, Valerio; New, Michael.  
Food and Agriculture  
Organization of the United Nations 1 electronic optical disc (CD-ROM) , multilingual  
: col. ; 12 cm.

Inland Saline Aquaculture : Overcoming biological and technical constraints towards the development of an industry (2008)

Authors/ contributors: Partridge, Gavin J. 76 p. ill., diags ; 29 cm.  
Internet Access: <http://wwwlib.murdoch.edu.au/adt/browse/>

Progress report for 1980-81 on commercial production trials for rainbow trout (*Salmo gairdneri* Richardson) at the Pemberton Fish Hatchery, Western Australia [1981]

Authors/ contributors: Morrissy, Noel M.

[Western Australia. Fisheries Department] [15] p. : ill. ; 33 cm.

Farming trout. (1999.)

Authors/ contributors: Molony, Brett; Lawrence, Craig; Maguire, Greg; Fisheries Western Australia.

Aquaculture WA (Fisheries Western Australia) ; no. 3 (1999 revision) 12 p.

Trout (*Oncorhynchus mykiss*) production and stocking in Western Australia : An examination of the fishery and evaluation of the stock-enhancement program in public access waters [2005?]

Authors/ contributors: Molony, Brett W.

Australian Society for Fish Biology workshop proceedings : enhancement of marine and freshwater fisheries, 7-12 August 2000, Albury, NSW. p. 87-92

An overview on desert aquaculture in Australia (2010)

Authors/ contributors: Kolkovski, Sagiv.

In "Aquaculture in the desert and arid lands: development constraints and opportunities, FAO Technical Workshop, 6-9 July Hermosillo, Mexico," pp. 39-60, ill. : FAO Fisheries and aquaculture proceedings ; 20

Environmental requirements and tolerances of rainbow trout (*Oncorhynchus mykiss*) and brown trout (*Salmo trutta*) with special reference to Western Australia : a review (2001)

Authors/ contributors: Molony, Brett.

Fisheries research report (Fisheries Western Australia) ; no. 130 28 p. : maps, tables ; 30 cm.

Salmon and trout farming. (1988)

Authors/ contributors: Laird, L. M. (ed.); Needham, T. (ed.)

Chichester, U.K.: Ellis Horwood Ltd.; New York: John Wiley & Sons, (Ellis Horwood books in aquaculture and fisheries support) 271 p. : ill.

Trout farming manual. (1987)

Authors/ contributors: Stevenson, John P. - 2nd. ed. -

Fishing News Books, xii, 259 p. : ill.

Sea water culture of rainbow trout. (1981)

Authors/ contributors: Hortle, Michael E.; Tasmanian Fisheries Development Authority.

Tasmanian Fisheries Development Authority, 43, [10] p. : ill., tables, maps; 30 cm.

Making and managing a trout lake. (1983)

Authors/ contributors: Barrington, Rupert.  
Fishing News Books 135 p. : ill., diags.

Backyard fish farming. (1980)  
Authors/ contributors: Bryant, Paul; Jauncey, Kim; Atack, Tim.  
Prism Pr. 170 p. : ill., diags.
